

Task Management Software developed as a project task for IITB FOSSEE

Home Page

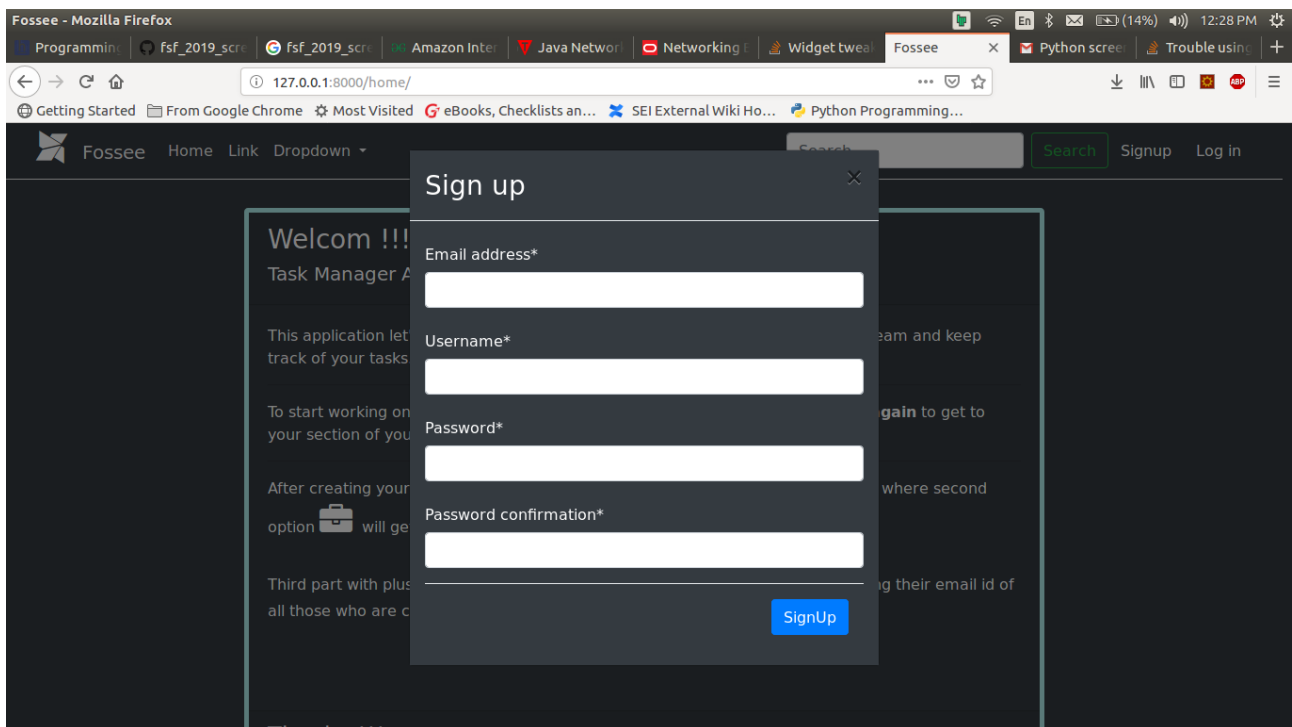

In order to use the software user have to create an account first. To create account you have to go to top most in the right side “Sign Up” button. On clicking signup button a pop up will open. Give credential and you will again redirected to same home page.

Now you have to “Login” using login button lying just right of “Sign up” button. After giving credintial you will be redirected to team page.

** After login and signup there will not be any message as I have not implemented those success messages till now. And it will also redirect to some other page if credential is wrong.

*** So please insert right credential while logging in.

Will correct this issue soon.

Page 2 Teams Page:

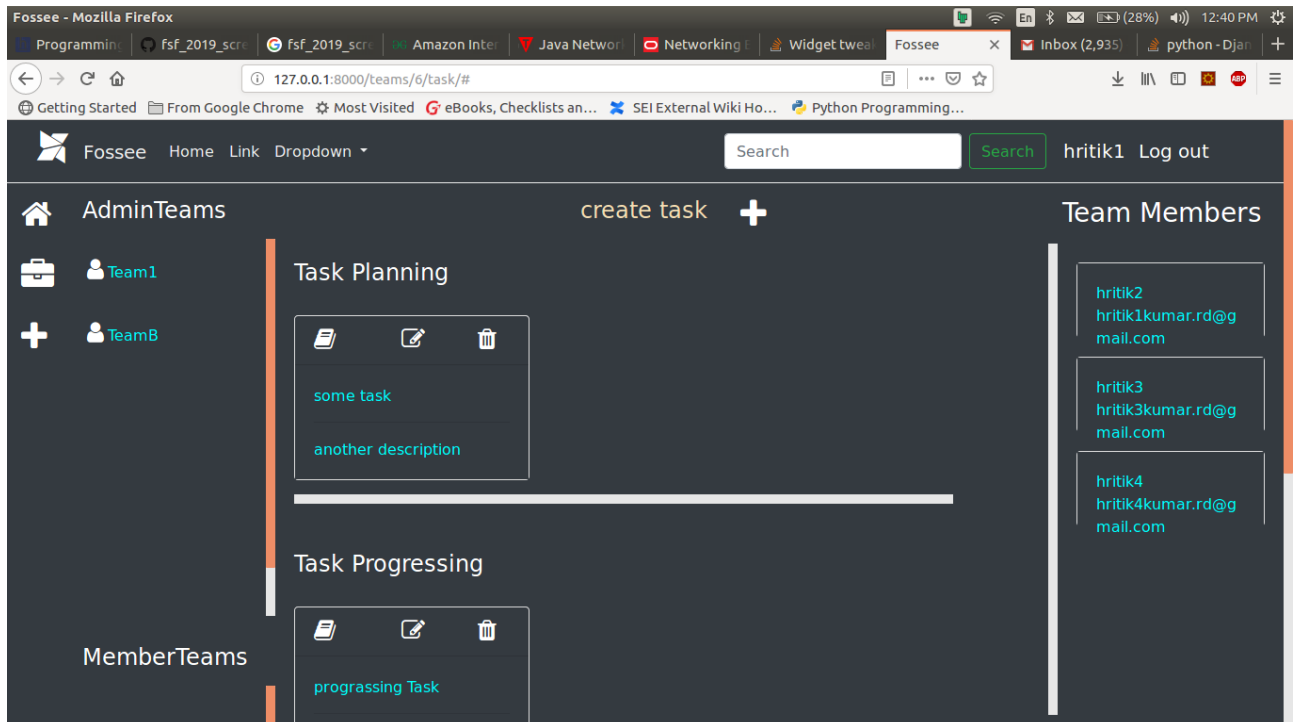

- In this page You can create your team by pressing + button on the left sidebar.
A pop up window will open and insert data.
- There will be options for members for those who are already registered in web application.
- For more members you have to manually add more users to web application.
- There are two section
- 1) Admin Team
 - In which there will be those teams which is created by you.
 - There is options for deleting the team also.
- 2) Member Team
 - In which there will be those teams of which you are member.
 - There is option for leaving those team if you donot want to be part of those team.

The screenshot shows a web browser window with the Fossee application running on 127.0.0.1:8000/teams/#. A 'Create Team' modal is open, displaying the following fields and options:

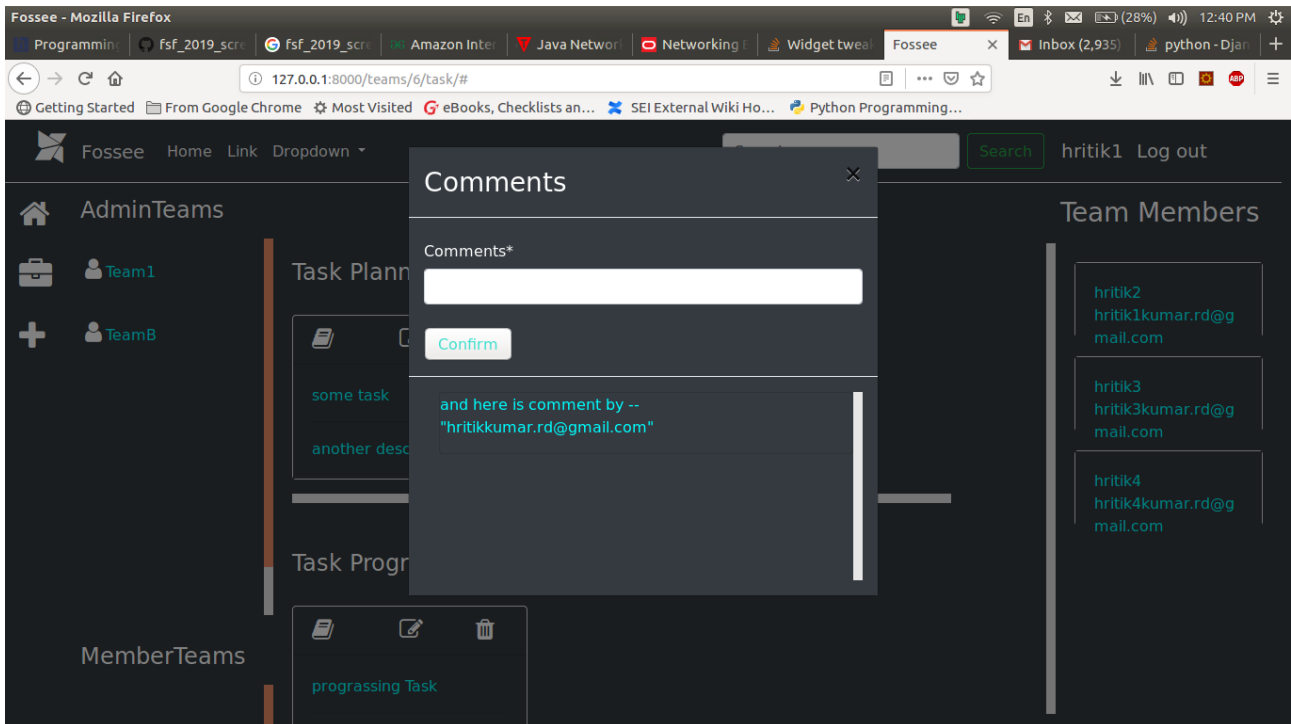

- Title***: A text input field containing 'NITA Team'. Below it, a red error message reads 'This field is required.'
- Description***: A text input field containing 'This is django team'. Below it, a red error message reads 'This field is required.'
- Members**: A list of email addresses with checkboxes:
 - ☒ hritik1kumar.rd@gmail.com
 - ☒ hritik3kumar.rd@gmail.com
 - ☐ hritik4kumar.rd@gmail.com
 - ☐ hritik5kumar.rd@gmail.com
- Date**: An empty text input field.

The background shows the application's sidebar with a home icon, a briefcase icon, and a plus sign icon. The main content area is titled 'AdminTeams' and 'MemberTeams'. The top navigation bar includes a search bar, the username 'hritik1', and a 'Log out' button.

- There is three section of this page
 - 1) first section will have list of Admin team(discussed above) and list of Member Teams
- Second part is Task
 - 1) In the top most part there is a + button clicking which will result in opening of a pop up window where you can provide data relevent to your task
 - Title
 - description
 - Members to assign the task
 - Status of task
 - In the head of the Task card, there will be three icon
 - First for making comment on the task
 - second is for editing the status of task
 - deleting the task
- Third part contains the list of members in the team with their names and email address.
- In case you are admin of team you will have options of making task, deleting task.
- Otherwise you can only view the task and make comments on the task.

Comments pop up window

Thanks!!
